HCIntro

Thank you for participating in the National Dementia Workforce Study.

This survey is sponsored by the National Institute on Aging and is being given to home care agency staff who care for people living with dementia. The survey will take about 25 minutes.

This survey asks questions about your job with [AGENCY NAME].

Your responses are confidential and will never be shared with your employer.

Dementia is a general term for a condition causing loss of memory, language, problem-solving, and other thinking abilities that are severe enough to interfere with daily life. Alzheimer's disease is the most common cause of dementia.
